**Omni Houston Hotel**  
**July 23-26, 2015**

## Welcome to Houston— The Space City

The dynamic city of Houston welcomes you all to the 31st Annual MAMCOAANA Convention. Founded in 1836 on the banks of Buffalo Bayou, Houston is:

- ❖ the fourth largest city in the US, with a metropolis population of over six million.
- ❖ known for NASA Johnson Space Center which is a Mission Control Center for the space shuttle program.
- ❖ the Energy Capital of the World, with home to Fortune 500 headquarters, second only to New York City.
- ❖ home to the World's largest concentration of hospitals, making it the largest Medical Center.
- ❖ the largest city in area (608 sq. miles).
- ❖ the largest freeway system in the US (740 miles).
- ❖ famous for the Marina of Kemah, which has the third largest fleet of recreational boats in the US.
