MAMCOAANA SPIRIT WAS ALIVE AND WELL IN CINCINNATI

What is MAMCOAANA Spirit? Who knows? It can only be felt; it is not to be described. There are no words in the dictionary to describe it.

Is it the excitement, the exhilaration? Is it what somebody called the constant New Year Eve spirit for all of four days? Is it the other 361 days of doing nothing, just anticipating what it will be next year? Better? Worse? Am I going to meet those same nice people next year? Are the others going to be even nicer?

Is it Kulbhooshan Sethi's *Chuglian*? He is a real *Mirasi*. Is it R.D.'s jokes? What is he anyway? Is he an intellectual? A sophisticate? A singer, a musician, a joker? How much did he earn telling jokes during Reunion?

Is the two days of rigorous G.I. CME the real MAMCOAANA Spirit? Or those breakfasts and coffee breaks, dinners, closed pizza store, over chlorinated pool? What about the 8 A.M. executive committee meetings where the attendees don't even remember what decisions were made?

Or the never-ending card games? Controversial motions in the general body meetings? Those huddled in a corner teenagers? Game room? Little kids running around? The elderly people getting disappointed because the Danishes were finished when they reached a little late for breakfast?

Maybe the MAMCOAANA Spirit is Matta and Mallu, Gulati and Saini, Kapilas and Dangs, Satnam and Raman, Bisla and Goel, Chunttani and Thapar, Dhalla and Munjal, or all the other 350 persons.

The grumbling, the yelling, the hugging, the kissing. The kissing? When? Where? Is it the non-stop dancing, the non-stop eating, the laughing, the singing? What about the Football Hall of Fame, and the King's Island Carnival, the shopping trip, the tennis, golf, other games people play?

The trophies, the shirts (one day we will spell correctly on our shirts!), the sunvisors, the brochures, the continuous flow of lemonade.

The endless streak of jealousy, the old flames lighting up, the new flames burning, some getting doused.

There is no defining of the Spirit. From New Delhi to New York, from Mt. Airy Lodge to King's Island. It is unique. It is a classic. It is vintage. It is Kohinoor. It is Taj Mahal. Whatever it is, it is to be felt. To be experienced. It keeps changing. Better and better. It is mercurial. Let's keep doing it. Next stop: Newport, Rhode Island—for rejuvenated, New, Improved, Stronger MAMCOAANA Spirit.

Dilip Patel, Senior Professional Sales Representative of S.K. & F., a major sponsor of our 1990 Reunion, at Cincinnati.

GET SET! GO! RHODE ISLAND!!

The noise and din of our Cincinnati Reunion 1990 has just started to die down. However, Sudhir Bansal and family batch of 1969 are busy making preparations to host the 1991 reunion. The setting is Newport, Rhode Island (Rhode Island is not really an island for you geography buffs)—a summer showplace of the millionaires. The natural splendor of the beaches and the national registered landmark, *CliffWalk*, with its magnificent mansions (called summer cottages—these Americans can downplay anything!) “Hammer-smith Farm”, a charming “summer White House” of Jacqueline and John F. Kennedy; “Rosecliff” of the movie, *Great Gatsby* fame and “Van Bulow’s” mansion, where the insulin rose to fame (Hitchcock suspense of 1900’s).

Tennis buffs can enjoy the Tennis Hall of Fame as well as play on grass courts, the site of the first America’s Open Cup.

For “Teen Patti” (Flash) lovers, there is Jai Alai to bet on. Also in the works is a cruise to watch whales in their natural habitat (hope weather holds out).

Shop until your spouses drop in the famous Brick Market for curios and everyday needs.

Plans on the way to arrange hot air balloon ride, Scuba diving for kids. All this amongst friends eating Pani Puri, Puri Chhole and other Indian delicacies, while you learn about the latest advances in Metabolic diseases.

For other ideas, volunteering time, contact and sponsorship of pharmaceutical firms, please call Sudhir or Tej Bansal at (401) 885-4471. Plan now to attend an event which you will be talking about till the next Reunion. Talk to your classmates, your ex-sweet-heart(s), and plan to meet them in Newport, R.I., August 1-4, 1991.

MOMENTOS EXCHANGED

MAMCOS President, Y.P. Munjal, brought nice mementos for the Executive Committee members of MAMCOAANA, who, in turn, honored Munjal on several occasions for the goodwill he brought here by gracing our Reunion 1990.

YOUTH DIRECTORY

Rashmi Saini worked hard at making a Youth Directory MAMCOAANA. She made those calls, put together names and birthdays of children of MAMCOAANA, and what a Directory she has prepared! Call those children on their birthdays, Diwali, New Year or just reach out and touch them. A dream of our President Saini to see Youth Networking is fulfilled with this Directory. If your name is not there or you want to change or add information or give suggestions for the Second Edition of the Youth Directory, call Rashmi at (313) 641-1822.

MAMCOS-UK

Our friends across the Atlantic are hopping! They have had Reunions, Newsletters, and get-togethers. Our congratulations to their Executive Committee, led by their President, Ravi Kant Sharma.

PRESIDENT'S MESSAGE

This is the seventh year of our Alumni Association's existence. It has been a phenomenal experience for all those who have been a part of it in any way, shape or form. The organization has spread to about 300 members, beginning from a mere five who had an imagination and a dream for this kind of a group. Our reunions are getting bigger, better and merrier every year. Everyone who participates takes home numerous, unparalleled, nostalgic feelings, after meeting with some of his/her old friends after many years. This year I met five of my classmates after twenty-three long years. There is no price tag for such an event. This year I was very happy to see many more new Maulanians in the reunion. I hope that this trend continues.

As an association, we have achieved many goals, yet we are always exploring new input from our members. This association equally belongs to everybody, from the oldest class on down to the youngest class.

Therefore, I urge every member to come forward and assist in any way that he/she can. Our association is a pathway to growth, through collective participation. Since membership is the backbone of our future achievements and projects, I would like to request every member to make every effort to recruit at least one additional member. This kind of unity and togetherness allows us to feel as if we are a part of one, very big family. Not only have we expanded in all directions, but we have a lot of *networking* among the existing

membership. Furthermore, we have a better understanding with the Mamcos of India and hold good working relationships with them.

My personal effort would be to create a *network or a phone link* between our children. So *our* bonds can become stronger and stronger. The first youth's phone and address Directory is due to be out soon. It can be periodically updated.

The association always needs more volunteers. I urge you to contact the designated person(s) in the field of your interest and talent. With this in mind, we will achieve all of our goals.

May GOD bless us all.

VIRENDRA BISLA HONORED

Our own Dr. Bisla, Batch of 1969, was recently honored by the President. He is a cardiologist in the Chicago area. According to Dr. Ashutosh Gupta who has known him for 27 years as a colleague, friend and a classmate, Bisla has done more than anybody else to bring awareness of problems of F.M.G.'s in America. He is a bridge between Americans and the local Indians. He started I.M.A. of Illinois, most active body of physicians from India. He belongs to the AAPI PAC which has been instrumental in introducing two bills in the U.S. Congress and three bills in the U.S. Senate about the plight of F.M.G.'s.

He is Chairman of Indo American Business Forum. He is active in immigration, visa matters and help in getting residencies for F.M.G.'s. He serves on many local committees. He has testified in U.S. Senate hearings, has visited India a number of times to promote these causes. He would like to see the growth, well-being and prosperity of our next generation and he is active in youth promotion.

Dr. Bisla is available to anyone at any time for good cause, said Dr. Gupta.

MAMCOAANA salutes Dr. Virendra Bisla.

OUR VISITORS FROM ENGLAND

MAMCOAANA enjoyed the company of Drs. Saeed Maolypour and Vijay Bansal from the United Kingdom, at their Cincinnati Reunion. They very much participated in almost every activity there was. Now that the "tunnel" connection is there, maybe more people from Europe and the U.K. will be joining us during our future Reunions.

Dr. Baluja

Dr. S.C. Baluja, Batch of 1966, Assistant Chief Medical Officer, Indian Airlines, graced the Reunion in August 1990. His wife, Dr. Asha Baluja, did her house job in Irwin Hospital. They have two children: a daughter, Monisha, 15, and a son, Manar, aged 10. S.C. likes travelling and reading science fiction.

Thank you for joining us.

MAMCOS PRESIDENT ATTENDS MAMCOAANA REUNION

Dr. Yash Pal Munjal, Batch of 1964 was present during the Reunion. He was honored, felicitated and welcomed wherever he went. He was such a good sport and participated in everything from dancing to eating, from playing cards to giving lectures. Dr. Munjal is in Private Practice of Medicine in New Delhi. He is also the Honorary Medical Superintendent of Jessa Ram Hospital. In addition to being the President of MAMCOS, Dr. Munjal is

Secretary of the Association of Physicians of India (Delhi Chapter) and Honorary Treasurer of Indian Medical Association. Dr. Munjal likes travelling. He feels we need a cultural exchange of consultants between MAMCOAANA and MAMCOS. He would like both Associations to work towards achievement of this goal.

Dr. Munjal lives in Karol Bagh with wife, Rama, and a son, Akshay, 11, and daughter, Jaya, 8.

MEMBERSHIP DIRECTORY

The 1988 MAMCOAANA Membership Directory which was put together by Inderjit Saini with a lot of labor and love is outdated by now. Chandra Edwin is re-doing it. Please call her with your information update at (313) 569-6539.

KEEP IN TOUCH—IT'S FUN!

HELP WANTED: EDITOR OF MAMCOAANA NEWSLETTER—*Qualifications:* Must be a Manlanian. A family member will do. Flair in writing helpful. A little typing needed. Mistakes in English grammar encouraged.

Job Description: Even though the job title is Editor, actually we need a writer. No one sends anything even after imploring, begging, so no editing possible. What you write doesn't matter, very few people read it, and those who read it are addicted to it, and keep reading it. The previous Editor is becoming stale, so he is being eased out.

Remuneration: A lot of praise for a little bit of work. Sometimes, silly suggestions. Unreturned phone calls and letters. Incorrect addresses of members.

Fringe Benefits: Excused indiscretions. You can keep espousing your cause. May publish your own picture, your friend's family's picture repeatedly, nobody objects.

Contact: The President of MAMCOAANA. Send your resume—a couple of sentences will do.

THANK YOU BARBARA AND AMY

Of course Matta and Mallu were great, but the credit goes to Barbara Timmers and Amy Smith for the smooth running of the Reunion 1990. Whether it was lemonade, registration, Hospitality Suites, Dinners, Breakfasts, Theme Park, Tennis, Golf, Shopping, Babysitting, Dancing, or ventilation, bickering, support, reassurance, encouragement, comfort, consoling, they were available with a smile. Our special thanks are due to them for making the Reunion the smashing success that it was.

HAVE YOU SEEN OUR NEW LOGO?

MAMCOAANA has a new, vivacious logo. Just look at the top of the first page of this Newsletter, and compare it with the one on a previous publication.

CHAUDHRY ATTENDS REUNION

Air India Deputy Chief Medical Officer, Dr. Ranbir Chaudhry was an active player during the Cincinnati Reunion. He is an Executive Committee member of MAMCOS-India. He lives in Ashok Vihar, has a private practice there with his wife, Dr. Aruna. They have two children, a daughter, Shruti, in 12th grade, and a son, Siddharath, in 11th. His hobby?—what else—Travelling!

When he who hears doesn't understand him who speaks, and when he who speaks doesn't know what he himself means—that is philosophy.

Voltaire, 1694-1778

A Blind Date

Our friends from U.K. suggested that the first week-end of August does not suit them; they would like the date moved upward so they can attend our MAMCOAANA Reunions in a larger contingent. Some people objected. The reasons: summer schools, children's camps, planning mid-summer programs and vacations, housewife's dilemmas, India trips, etc., etc.

If you have a strong opinion one way or the other about changing our Reunion schedule, please call the Secretary NOW, before we plan next Reunions. Remember, All India Institute has their Reunion one week after us. We do have mixed couples, we have to keep them in mind so that they can attend both reunions if they so choose.

Some of us with children have objected time and again about MAMCOS Day in India—December 20. That is most inconvenient for us in the U.S. Children get off from school around the 23rd and leaving for New Delhi on the 18th of December is almost impossible. Maybe MAMCOAANA can raise its voice and get that day changed to somewhere between Christmas and New Year.

MAMCO HAS A BANNER NOW

Thanks to the organizers and the spendthrift Executive Committee of 1989-1990, there was a big display of MAMCOAANA Banner in the Football Hall of Fame during the Reunion. Let's keep moving up and up, guys!

HIS MASTER'S VOICE

During the last Reunion, some members voiced their opinion that their voice is not being heard by the MAMCOAANA brass.

If you feel that way, this is the time to take action. Write a note to your Editor. Deluge his office with letters to the Editor (three or four letters will be enough!). Tell him your views, ideas. Do you want to become President? Say it. You want more executive members from your Batch? You want more women in there? You want to change the Executive Board so that at least one member from each Batch must be there? Do you want to dissolve the whole Executive Committee and take over single-handedly? Do you want a certain number of seats reserved for certain classes? Unless you say it, and SAY IT LOUD, YOUR VOICE WON'T BE HEARD. So pick up a pencil and write: *Dear Editor, MAMCOAANA Newsletter . . .*

THE INSTITUTE REUNION

The All India Institute of Medical Sciences had a very successful Reunion in August 1990 in Rye, NY. Our congratulations to their organizers, Dhalla and Ailawadi.

MAMCOAANA and AIIMSONIAN, Lady Hardinge and Delhi College are missing the boat of they don't sit down together and organize a mammoth Reunion of all the medical colleges of Delhi. How about it, people?

MAMCOAANA DINNER AT AAPI CONVENTION

MAMCOAANA held a dinner on June 29, 1990 at the time of AAPI 8th Annual Convention in Chicago. It was organized by Drs. Arun Ohri and Pam Sobti, and attended by over fifty members and spouses. A special guest was Dr. J.K. Jain, M.P., who had come from India to give a talk at AAPI.

FUTURE REUNIONS

Do you have an idea for the next Reunion? Why keep your idea to yourself? Remember, the more you spread your ideas, the more you have them. Maybe you want to sponsor a Reunion. Jagdish and Poomam Dang are looking into some bright ideas. Call them with yours. 1991 Reunion is in Newport, Rhode Island, 1992 probably in Seven Springs, Pennsylvania.
