## Message From The President – 2013-2014

MAMCOAANA's 29<sup>th</sup> Annual Convention was held in the Big Apple this year. The events started off with a meet and greet, followed by a cruise, and ended with a gala dinner on a rooftop restaurant. Good food and even greater company of old and new friends all under the organization of Dr. I.P. Chhabra was memorable. Kudos to Dr. Inderpal Chhabra and his family for arranging such an exciting event.

Recently, I came to know of the untimely deaths of two of our fellow Maulanians, Dr. Shiv K. Patil and Dr. Rajinder Sippy. My family and I send our deepest condolences and wish their loved ones the best in this difficult time.

To our new members, we give a warm welcome and thank you for joining our MAMCOAANA community. My family and I have been in attendance for the past four years and enjoy coming back every time. Please do encourage your MAMC friends to join as life members. I'm sure they will enjoy the social gatherings and events we have.

At MAMCOAANA we are proud of the quality of our CME program. The committee is constantly striving to set a high standard. Every year the lectures are found to be engaging and informative by attendees. We would especially like to thank Dr. Dinesh Chaudry, our CME coordinator for a fantastic program. I would also like to welcome Dr. Randeep Suneja as the incoming president elect .

Thank you to the executive committee for giving me the opportunity to serve as the president of MAMCOAANA for year 2013 to 2014. I carry forward the tradition of our annual event and would like to invite you and your family to the MAMCOAANA 30<sup>th</sup> Annual Convention in 2014 to be held in Toronto, Canada from 24 July to 27 July 2014. We hope to put together an exciting program for you all to enjoy. Details of the program will follow.

I wish you all the best for the rest of 2013 and look forward to seeing you all in 2014.

- Dr. Bharat Bhushan Kalra

## Of MAMCOAANA 2013 - From Vimal Sodhi

Ek baras beet gaya!

Another, absolutely authentic and genuine Maulanian event.

IPC organized a delightful event with many firsts. He proved Singh is King. We had best live first ever Egyptian Belly Dance performance .

Beer, wine aur Daaru without the pains of coupons, and to cap it all off, a great musical extravaganza with someone else paying for music and Maulanasmic enjoyment by the jolly crowd.

Outstanding CME arranged by the hard and tireless work of Dinesh Chaudhry.

Great time meeting with great chronics and meeting many new comers.

The Caravan goes on! Look forward to July 24, 2014, North Of Border Toronto as host city. Welcome to Dr. Bharat Kalra and his Team.

Every one who came, please come again and have only one more of your Batch Buddies come too! Let us keep the torch of MAMC lit and have a great 30th Reunion in Toronto!

Deep jaltaa rahe.  
Aap aate rahein  
Saal jaate rahein  
(Sab). Muskaraate rahein!

*He made sure that we had a Registration desk on Thursday, the 25th July evening!*
