MESSAGE FROM THE PRESIDENT · 2026–2027

Carrying the Torch Forward, Together

For over four decades, MAMCOAANA has been the eternal thread weaving together our alumni family in our Karam Bhumi. I am deeply honored to carry forward that legacy as President for 2026–2027.

My heartfelt congratulations to Ajay and Shivani Rawal for a phenomenal 40th Convention in Minneapolis — from the unforgettable evening at the historic Grain Exchange launching the *MAMCOAANA Chronicles*, to our first Pickleball tournament, a dazzling gala, a stirring debut Art Exhibition, and an outstanding CME program chaired by Dr. Indranil Chakraborty. Warm congratulations too to Bobby Batra, our President-Elect, and Kumar Sujeet, our incoming Secretary.

As Maya Angelou wrote, "We carry our roots with us, no matter how far we branch out into the world." In that spirit, my wife Seema and I are thrilled to welcome the entire MAMCOAANA family to Houston, Texas — July 15–18, 2027, at the Hilton Americas Houston — for a true Gup Shup ki Shaam together, as family.

Houston is a city of superlatives: the third-largest city in America, home to over 8.1 million people, and one of the nation's most diverse metros. It hosts the Texas Medical Center, the largest medical center in the world, NASA's Johnson Space Center, and the towering Statue of Hanuman, the third tallest statue in the U.S. It is also the Air Conditioning Capital of the World and the Energy Capital of the World.

So, beloved fellow Maulanians, mark your calendars and ready your spirits — with hearts brimming over, Seema and I warmly beckon you to Houston, as Space City throws open its doors for our 41st Annual Convention!

With open arms and hearts full of excitement,

Randeep & Seema Suneja

WELCOME TO SPACE CITY

Houston, a City of Superlatives

#3

Largest city in America — a thriving metro of over 8.1 million people, one of the most diverse in the nation.

Texas Medical Center

The largest medical center in the world — fitting ground for a gathering of Maulanian physicians.

Johnson Space Center

NASA's home in Houston — the reason we proudly call it Space City.

Statue of Hanuman

The third-tallest statue in the United States, a landmark of our community's presence here.

A/C Capital of the World

Come July, you'll be glad Houston takes cool air seriously.

Energy Capital of the World

Home to countless Fortune 500 energy giants that power the globe.

26 Lanes The Katy Freeway — the widest freeway on Earth. In Houston, we build big, just like our welcome for you.

A city of superlatives, ready to host a family reunion for the ages.
